

Relay Utah is a free, 24-hour service that allows people who are Hearing, Deaf, Hard-of Hearing, Deaf-Blind or Speech Disabled to communicate with each other via the telephone.

Through the use of specialized equipment, relay users communicate freely with friends, family and businesses who use a standard telephone.

It's easy, simple, confidential — and free!*

Dial 7-1-1 or use these toll-free numbers:

1-800-346-4128 TTY

1-888-735-5906 Voice
